What is PeerForward?

PeerForward transforms the lives of young people from low-income communities by developing teams of high school students who use influence and community organizing to lead their peers to higher education and careers. Our high school Peer Leaders will connect 122,000 students to postsecondary success in the next four years. You can help train these Peer Leaders at our Summer Workshops.

From Students to Peer Leader

Workshops are the cornerstone of the PeerForward program. This is where the transformation occurs from student to Peer Leader.

Our Impact

80%

of students who attend a workshop enroll in college.

350k

Students — that's how many we've worked with nationwide in the past two decades!

Double

the likelihood that a low-income student will enroll in college thanks to our peer-to-peer model.
